

## Autos On Show – Pack Photos

When you buy a vehicle a dozen of pictures in high definition appears automatically in your MyBCA section. Pictures are made by a professional photo lab. They will allow you to show the vehicle to your clients before receiving it.

For each new online vehicle purchase pictures are automatically charged as soon as we receive your payment (except for pictures out of scope – see next page). You can download them by clicking on the below icon in your MyBCA section.

## What are the benefits from Pack Photos?

- Autos On Show represents the best solution to spare time: vehicles can be shown to your customers before the delivery.
- You benefit from pictures in high definition of all your bought vehicles (cf. below for concerned sales).
- Pictures are yours. So, you can put them on your website or advertisements as you want.
- Pictures are easy to download on your MyBCA section.
- Vehicles are clean and presentable.
- Personalisation options are possible as including your logo on pictures.
- When sale is ended, you are the only one to have the right to use pictures.

## Which sales are concerned by Pack Photos?

All « AGD » pictures (pictures available on BCAuto Enchères website during sales) are part of Pack Photos except pictures of sales below:

- Damaged cars
- Not running vehicles – Live Online
- Sales outside BCAuto Enchères website

For Light Commercial Vehicles and Starting Price 50€ - Live Online sales, pictures are only taken in a studio.
